<b>Directive refere</b>	Annex I § 3.1.2	

**Adopted by CLAI****26/01/2006****Subject:** ESR on manufacturing - ISO 9000 and EN 729**Question:** Is it envisaged to have a double certification in welding : ISO 9001 and EN 729?**Answer:** No  
EN 729 establishes guidelines to apply the ISO 9001:2000 for the particular case of welding and does not have the goal to allow an independent certification.

Modifications compared to the previous adopted version : updating for deleting obsolete references
